

Greetings Continental Sisters,

The eleventh hour of the eleventh day of the eleventh month: that was the moment at which World War I largely came to end in 1918. On Nov. 11, 1919 US President Wilson proclaimed the first Armistice Day, which has been renamed Veterans Day to honor the duty, sacrifice, and service of America's nearly 30 million veterans of all wars.

We must remember and revere our brave, patriotic men and women serving or who have served in active duty or who are deceased, especially those among our Continental Sisters, Continental Guys, and their families. My Sisters, because of your courage, dedication, and service, we can enjoy the freedoms that are guaranteed to us in our Constitution.

Happy Veterans Day

Continentially,
Robin T. Browder
National President
